

Do your thing at NT-ware!

We are an innovation partner and member of the Canon Group. Our specialists around the world develop state-of-the-art software for our print and scan management operations.

With our highly flexible working environment and our pioneering approaches regarding time, space, and equipment, we are a fount of ideas for newer and better solutions. From Bad Iburg, Germany, we stay in constant communication with our colleagues in New York, Singapore, and Tokyo – and soon, hopefully, with you as our new team member.

VOCATIONAL TRAINING SYSTEMINTEGRATION SPECIALIST (M/F/D)

THIS SOUNDS AMAZING!

Zeugnis

Do you have a good academic high school diploma in your pocket or have you completed vocational school with a focus on IT? Is information technology and the things you can do with it your passion? Then start your career with us and complete a rock-solid IT specialist apprenticeship. Are you outgoing, helpful, communicative, and eager to absorb new topics?

Maybe you could try an internship to get a taste of our daily business? We are always thrilled when we can get new talent inspired about us and our business.

Of course!

I'm not sure if this is something for me

At NT-ware, you'll meet a friendly technical and support team made up of delightfully easy-going people from over 35 nations. At each of our locations, we put our heads together to develop, test, and implement exciting ideas. By the way: How is your English?

I love it

It wasn't my strong suit in school

With us, you can go all out:

- We'll get you ready for the wide range of IT tasks in your three-year IT specialist apprenticeship for system integration.
- You'll dive deep into exciting IT topics and learn to solve users' tricky IT challenges as quickly as possible.
- At the same time, vocational school teaches you important basics, such as the integration of software components.
- This is how you'll quickly develop into a real IT professional in theory and practice, and after graduation you can decide whether you want to stay with us.

Don't worry, we'll bring your English fully up to top speed with our in-house language courses.

This is definitely something for me. Are there any goodies?

I don't think this is the right job for me :(

That's too bad. Good luck with your job search!

Benefits? Of course. We offer a super-flexible, highly modern, and well-equipped workspace with a company bonus plan, opportunities for continued professional development, driver safety training, work bicycle rentals, partnerships with gyms, work from home, electric height-adjustable desks if desired, and much more... Convinced?
