

Do your thing at NT-ware!

We are an innovation partner and member of the Canon Group. Our specialists around the world develop state-of-the-art software for our print and scan management operations.

With our highly flexible working environment and our pioneering approaches regarding time, space, and equipment, we are a fount of ideas for newer and better solutions. From Bad Iburg we are in constant dialog with our colleagues in New York, Singapore and Tokyo -maybe soon with you in our team.

QA-SPECIALIST (M/F/D) - TESTING

This sounds amazing!

Do you hold an IT degree or equivalent IT qualification and have several years of testing experience? Are you versed in testing tools and practices, test automation procedures and, Agile development methods? And do you consider yourself to be a committed and analytical team player who always takes customers' needs into account and enjoys working with others to set new standards?

Are you at the beginning of your professional career? We are always on the look-out for new talents and would therefore love to receive your on-spec application!

Of course!

Experience? Is something I'd like to gain with NT-ware.

We are a friendly technical and support team made up of delightfully easy-going people from over 35 nations. Working out of our Green Building in Bad Iburg, Germany, we put our heads together to develop, test, and implement exciting ideas. By the way: What is your English like?

I love it

English is not really my strong point.

With us, you can go all out.

- Working with other QA specialists, you will put the next generation of our software and hardware products to the test. The goal: to ensure faultless products and happy customers.
- You will collaborate with colleagues from Software Development to test all our platform and technologies, whether for desktops or mobile devices.
- You will scrutinize our software and implement the requisite optimizations, be it in terms of user experience, reliability, or maintainability
- You will of course also be called on to enrich our team with your ideas and be constantly on the look-out for better solutions.

No worries. We offer in-house language courses taught by certified instructors so you can quickly brush up on your English skills.

That sounds perfect. Is there any information about the perks and benefits?

I don't think this is the right job for me :(

That's too bad. Good luck on your job search!

Any perks and benefits? Of course. We offer a super-flexible, highly modern and well-equipped workspace with daycare, a company bonus plan, continued professional development opportunities, driver safety training, the option to work from home and much more... Convinced?

Are you looking for more good reasons to join NT-ware? You can find more information about our corporate culture at www.nt-ware.com.

Definitely!

Does this sound like you?

Then take the leap and apply! Your contact is Sabine Zimmer, HR manager, tel.: +49 5403 7243 202.
